RMH Foundation's Annual Donor Recognition Display Has Been Updated!

The donor recognition display flanking the RMH Foundation fountain (just past the private Admitting/Outpatient Registration suites at the East Street entrance) has a new look!

Gemstone Society, Charity Classic/\$1 Million ShootOut, and Ride for the HEALTH of It! 2009 contributors are recognized on the left panel. Contributors to the Renewing for Health campaign who made a gift in 2009 are reflected on the right panel.

These two side panels are updated each spring to reflect contributions received the previous complete calendar year. The display located under the fountain recognizes donors to the 1978-era building project (the three black and gold

plates) while the 'silver' plates recognize donors to the original construction project in the early 1950's. Hospice memorials are recognized separately on the two 'tree' displays located in the lobby at the west entrance (near Administration).

A separate, permanent display is under development which will recognize individuals who have contributed to the recently concluded Renewing for Health campaign.

To verify your listing and level for that display, please view the donor listing at www.richlandmemorial.com (click RMH Foundation button on the far right) OR contact the RMH Foundation office by phone at (618) 395-6088 or via e-mail to kjameson@richlandmemorial.com.

Download the GoodSearch Toolbar and Earn \$1 for RMH Foundation!

Charities registered with GoodSearch (like the RMH Foundation) have the opportunity to receive \$1 for each toolbar downloaded! The first 5,000 toolbar downloads, starting April 6th, will each earn \$1 for their charity – so please consider adding the GoodSearch toolbar to your PC.

You can find the RMH Foundation toolbar at <http://www.goodsearch.com/toolbar/rmh-foundation>.

NOTE: In checking with RMH Information Services staff, it has been determined the GoodSearch Toolbar will not download to RMH computers – sorry!

SATURDAY MORNING COOKS! PANCAKE AND SAUSAGE BREAKFAST

Realized a profit of about \$325 – lower attendance than hoped for on a beautiful day with *lots* of other charity meals to choose from!

Those who participated had an opportunity to meet and visit with new general surgeon Dr. Paul Sutherland and his wife, Lisa. They are looking forward to their move to our community later this month!

Special thanks to the Cooks and RMH Food/Nutrition staff for their assistance!

If you receive a paper copy of our newsletter and would prefer to receive the information via e-mail, please forward your e-mail address to the RMH Foundation at kjameson@richlandmemorial.com.
